

CHRISTCHURCH NORTH PASTORAL AREA COUNCIL

As you will be aware the Christchurch North Pastoral Area Council has been meeting regularly throughout the year with Fr Rick and Mike Stopforth to discuss and consider our role as Catholic communities and to find ways of implementing the Diocesan Pastoral Plan. As representatives of the parishes of Bryndwr, Burnside, Papanui and St Albans we have been developing a plan to show how we propose to address these initiatives within our own area.

We are now at the draft plan stage and we are seeking feedback from our Parish Priests and Bishop Barry. We have set a date for a meeting of the combined parish councils early in the 2011 when we will take our draft plan to our parish councillors for consultation and following this discussion to our wider communities.
